

## How to Use this Guide

This guide is meant to offer advice on courses to take in the first year of college in order to progress towards a degree for new students at UNC Asheville, or their advisors. Completing a degree will require completion of both the Integrative Liberal Studies (ILS) curriculum as well as major requirements set by the department you choose to declare a major in.

Please [read the general plan first](#). This has information on 100-level requirements for ILS. Then you may review the section on your intended major. Designing your first-year plan will likely consist of beginning with the recommendations under your major, and then adding any and all ILS courses that you feel comfortable taking in your first year.

## Literature

- Students must complete the LANG 120 requirement before they can take intro-level courses in the Literature major.
- After completing LANG 120, students should take LIT 241: Introduction to Poetry (3). This course is a major requirement and prerequisite for higher-level Literature classes.
