

## Goals of the UNCA Teacher Education Program

The Education Department of the University of North Carolina at Asheville has as its primary mission to provide the professional preparation for a North Carolina Standard Professional I Teaching license with a liberal arts foundation. The Department is committed to serving undergraduates who earn the license as they complete their degree at UNCA, and post-baccalaureate students who have decided to become teachers.

### Overarching Unit Goals

- Meet national standards for the Unit.
- Ensure the excellence of all licensure programs in the Unit.
- Respond to the needs of the regional and state-wide teaching community.

### Unit Goals for Programs

- Meet the state and national standards relevant to the various programs.
- Meet the Unit Goals for candidates through the various programs.

### Unit Goals for Candidates

- Demonstrate depth and breadth in subject area content.
- Apply state and national standards in designing, implementing, differentiating, assessing, and reflecting on instruction while effectively utilizing time, materials, and human resources.
- Demonstrate professional dispositions.

### Admission Information

All interested persons should apply for admission to UNCA by contacting the Admissions Office, (828) 251-6481 or toll free 1-800-531-9842. Students must meet university admission requirements.

## 9-12 Comprehensive Science Licensure Program

The goals of the program are

- *To structure and interpret the concepts, ideas and relationships in science that are needed to advance student learning*
- *To engage students in activities to define values, beliefs, and assumptions inherent to the creation of scientific knowledge within the scientific community and contrast science to other ways of knowing*
- *To engage students regularly and effectively in science inquiry and communication skills in science*
- *To relate science to the daily lives and interests of students*
- *To create a community of diverse learners who can construct meaning from science experiences in science*
- *To develop and apply a coherent focused curriculum that addresses the needs, abilities and interests of students in science*
- *To relate science to the community, improving practice through personal actions, education and development*
- *To plan effective lessons in teaching science which apply knowledge of the growth and development of adolescents and young adults at the secondary level*
- *To utilize the unique opportunities and resources available at the secondary level*
- *To be committed to working with young adults at the secondary level*

*There are two required components to the 9-12 Biology Licensure program:*

- Baccalaureate degree in Biology, Chemistry, Earth Science or Physics at UNCA (or its equivalent if transfer or post-baccalaureate).
- Completion of the Education, Psychology, and other courses outlined in this brochure, and all other Education Department requirements, in accordance with the Policy and Procedures Manual and current UNCA Catalog.

## Formal Admission to Teacher Education Program

In order to be formally admitted to the UNCA Teacher Education Program, students must

- have earned a 2.5 cumulative grade point average from UNCA or other graduating institution;
- have achieved a grade of “C-” or better in Education 310 and EDUC 311;
- have received acceptable scores as established by the NCDPI on the SAT or ACT, or Praxis I Pre-Professional Skills Test (PPST); and
- have satisfactory evaluations on dispositions checklists and on each of the abilities/characteristics listed on the Department’s Requirements for Licensure contract.

## Education Courses Required for Secondary Licensure in Comprehensive Science \*

EDUC 310 Introduction to Education, K-12 (3 hours)  
EDUC 311 Technology Lab & Field Placement (1 hour)  
EDUC 314 Reading and Writing in the Content Area (4 hours)  
EDUC 382 Methods and Management in Teaching of Science, 6-12 (4 hours)  
EDUC 396 Research Methods in Education, K-12 (1 hour)  
EDUC 455 Student Teaching and Seminar, K-12 (6 hours)  
EDUC 496 Directed Research in Education, K-12 (2 hours)

\* See UNCA catalog for pre-requisites

(over)

Required Course work in Major & Correlates

BIOLOGY – see Biology 9-12 brochure;

Additional courses for comprehensive science:

ENVR 105 Physical Geology (4)

ENVR 130 Intro. to Environmental Science (3)

PHYS 231 Introductory Physics II (4)

CHEMISTRY – see Chemistry 9-12 brochure;

Additional courses for comprehensive science:

ENVR 105 Physical Geology (4)

BIOL 123 and 124 Principles of Biology and Lab (4)

or BIOL 115 and 116 (8)

EARTH SCIENCE – see Earth Science 9-12

brochure; Additional courses for comprehensive science:

BIOL 123 and 124 Principles of Biology and Lab (4)

or BIOL 115 and 116 (8)

PHYS 131 Introductory Physics I (4)

PHYS 231 Introductory Physics II (4)

PHYSICS – see Physics 9-12 brochure;

Additional courses for comprehensive science:

BIOL 123 and 124 Principles of Biology and Lab (4)

or BIOL 115 and 116 (8)

ENVR 105 Physical Geology (4)

CHEM 145 Quantitative Chemistry Lab (1)

CHEM 236 General Chemistry II (3)

\* See Catalog for Course Descriptions

Science Education Advisor at UNCA

Students wishing to be licensed in Science must meet regularly with both their Science and Education advisors. For more information, contact
