

Estimated Cost of Attendance for the 2011-2012 Academic Year

About The Cost of Attendance

To adhere to federal regulations, the amounts listed are used for financial aid purposes.

- Federal regulations prohibit you from receiving more financial aid than your cost of attendance (COA).
- The COA takes into consideration tuition and fees, room and board and an allowance for personal, transportation and miscellaneous expenses.
- Tuition is an estimate based on your enrollment status. Actual tuition is determined by the NC Legislature.

Keep in mind that you will NOT be paying this total amount directly to the school. Actual costs will be billed by the UNC Asheville Cashier's Office and may include tuition, fees, room & board (if living on campus), and insurance (if not already insured).

Please note that we do not give advances for the purchase of books.

To see how the COA impacts your financial aid, see [Financial Aid Information for Prospective Students](#).
